**SENTENCING MEMORANDUM**

The United States submits the following information regarding the sentencing hearing scheduled in this matter for 3:30 p.m. on July 30, 2009:

**I. WITNESSES**

The United States does not anticipate calling any witnesses during the sentencing hearing.

**II. EXHIBITS**

The United States has no anticipated exhibits for the sentencing hearing.

**III. CONTESTED USSG ISSUES**

The United States is not aware of any contested issues regarding application of the advisory United States Sentencing Guidelines.

**IV. DEPARTURES AND VARIANCES**

The United States is not aware of any grounds for a departure, or variance, from the advisory guideline range.

## V. OTHER SENTENCING ISSUES

Defendant has raised two other sentencing matters. First, a request to receive credit for time served in federal custody from February 23, 2009, through his sentencing date. Second, an assertion that he does not have the ability to pay a fine. As to both issues, the United States agrees with the defendant's, and the United States Probation Officer's, assessments. While the Bureau of Prisons is responsible for the computation of time served, the United States does not object to a recommendation to the Bureau of Prisons that defendant be awarded credit for time served in federal custody during the pendency of his case. As to the second matter, the United States agrees defendant does not appear to have the ability to pay a fine.

Respectfully submitted,

MATT M. DUMMERMUTH  
United States Attorney
